House Tourtour

This villa with a heatable pool is one of the few properties in Saint Pierre de Tourtour offering spectacular and unobstructed views of the Haut-Var. Close to Tourtour, a village classified amongst the most beautiful villages in France, the Domaine de Saint Pierre offers a calm and preserved environment in a wooded park with an artificial lake, several tennis courts and also a communal swimming pool. This single-storey Provençal style house of 123 m² is located on a plot of 1865 m². A living/dining room with fireplace and a veranda overlooks the swimming pool with a magnificent view. A separate fitted kitchen, a master bedroom with private bathroom and WC. Three other bedrooms share a shower room and WC. A storeroom could be transformed into a third bathroom. A beautiful terrace shaded by a plane tree overlooks the swimming pool and the garden. The spectacular view is protected from any future construction. The technical room of the swimming pool leads to a large storage area, for example for bicycles, underneath the house. Although this property requires some updating, it will be ideal as a primary as well as a secondary residence. Tourtour is truly a beautiful village with restaurants and bars open all year round, and is less than 3.5 km from Aups and 30 minutes from the Lac de Sainte-Croix, ideal for swimming and boating in the summer, as well as the year-round activities offered by the Gorges du Verdon. Agency fees are payable by the seller. Ref. : 947V29M - Mandat n°4980
