Villa Vidauban

EXCLUSIVE. Nestled in the heart of a Provençal landscape, in a residential neighborhood just outside Vidauban, close to renowned vineyards and a protected nature reserve, this property is waiting to be renovated. Built on a generous plot of 2,831 m², the house offers 125 m² of living space, with the possibility to add a swimming pool. The interior features a bright living room, a kitchen, a master suite of 17 m² with a private bathroom and toilet, as well as three additional bedrooms, a shower room, a separate toilet, and a laundry room. Almost every room opens directly onto the outdoors, creating a harmonious connection with nature. Comfort is ensured by underfloor heating powered by a Daikin heat pump. An extra 30 m² space in the attic, with a ceiling height of 2.5 m, offers great potential, while a covered terrace of 37 m² provides the perfect setting for shaded summer meals with family or friends. A double garage of 31 m² with an impressive height of 5 m completes the property and could be converted into an independent studio.

Although renovation work is needed, this property offers exceptional potential, a rare opportunity for nature lovers seeking an authentic Provençal lifestyle, close to nature and the Mediterranean Sea. The pool photo has been digitally added for illustrative purposes; the pool does not yet exist. Agency fees are the responsibility of the seller. Ref. : 947V47M - Mandat n°4535
