House La Garde-Freinet

Weekly seasonal rental. This detached cottage has a ground floor and an upper floor, and a pleasant, spacious private garden with no vis-à-vis. The cottage has two double bedrooms upstairs, one of which has a balcony, and is ideal for a couple with or without children. The shower room is in the master bedroom. There is a separate toilet. As an extension of the large garden and its shady terrace, the living room has a new, fully equipped open-plan kitchen. The interior of the house was completely renovated in 2024. The terrace is covered by a Virginia creeper plant which provides shade and coolness on hot summer days. A spring flows through the garden all year round, producing a pleasant and relaxing sound. The house is located in a quiet area of La Garde-Freinet, just a short walk from the village centre, where you will find many restaurants, shops and art galleries. The Provencale market is twice a week and the large swimming pool is also within walking distance from the house. Private parking in the enclosed garden. The beautiful beaches of the Gulf of Saint-Tropez are a twenty-minute drive away. Ref. : 947L12M - Mandat n°loc.23005
