House Flayosc

In Provence, near Lorgues, this house with a swimming pool is located in a small hamlet surrounded by nature, close to Château de Berne, and offers high-speed WIFI. Just a few minutes' drive from Lorgues, this house is perfect for a family. It features two double bedrooms (one with its own shower room), a children's bedroom with bunk beds, and a large bathroom with a bathtub and shower completing the sleeping area. It also offers a spacious living room with a dining area and an open kitchen. The kitchen is fully equipped: oven, gas stove, dishwasher, and a Krups coffee machine. Outside, you can enjoy your own garden, dine on the covered terrace or on the balcony overlooking the garden, or take a dip in the pool. With ample parking space and fast Starlink internet, this peaceful home in the heart of the Provençal countryside is ideal for a comfortable, relaxing, and enjoyable stay with family or friends. We weren't able to take photos in summer, so everything isn't shown in its summer look since we have just started renting out this house seasonally, but in summer, it is absolutely stunning!
