Villa provençale Tourtour

Exceptional 1.6-Hectare Estate with Three Independent Residences and Swimming Pool Nestled near the charming village of Tourtour, this rare estate offers the perfect blend of tranquillity, space, and comfort in an unspoiled natural setting. The main house (approx. 144 m²) features generous volumes: a spacious living room with a monumental fireplace, fully equipped kitchen with a central island, dining area, and three en-suite bedrooms, including a master suite that opens directly onto large partially covered terraces. Set just behind, the guest or caretaker's house (approx. 119 m²) offers its own bright living spaces: a lounge, fully equipped kitchen with pantry, study, and two en-suite bedrooms, each opening onto multiple terraces. This home is fitted with underfloor heating. Adjacent to the 5 x 15 m swimming pool, the independent guest cottage (approx. 70 m²) includes a light-filled living room, equipped kitchen, and two en-suite bedrooms, all with direct access to the terrace and pool area. The landscaped grounds include around 100 olive trees, a fruit orchard, a small vineyard, vegetable garden, pétanque court, and a barbecue area with a pizza oven. The estate also includes three carports, additional parking, and three electric gates, ensuring complete privacy and autonomy for each residence. A charming old stone barn completes the property, currently used for storage but with the potential for conversion. A unique opportunity, ideal as a family estate, a main residence with independent guest/staff
