Maison La Garde-Freinet

You will find peace and quiet in this fully renovated detached house, perfect for a calm stay surrounded by nature. Accommodating up to four people, it combines modern comfort with a unique natural setting. Upon arrival: a large carport providing shade for two cars. The terrace in front of the house is a true relaxation spot, featuring a four-person jacuzzi, a cozy seating area, and an outdoor dining table, all overlooking stunning views of the surrounding countryside. Please note: the last stretch of the road leading to the house is a dirt path, not well-suited for low sports cars. Inside, you'll find a spacious dining room adjacent to a fully equipped kitchen, a warm living room with a fireplace, and upstairs, two beautiful bedrooms—one with a walk-in closet—and a modern bathroom with a large walk-in shower. The entire house is air-conditioned for optimal comfort. If you enjoy tranquility, nature, and high-quality amenities, this house is made for you! The rental price includes bed linens and end-of-stay cleaning, but does not cover the security deposit or tourist tax. Ref. : 947L26M - Mandat n°LOC23018
